

Dear Sir,

We were honored with DJ Scott Fijolek's imaginative skills at our Chamber Fair and Business after Hours August 11, 2011. This event brought in several hundred guests along with over 50 other businesses showcasing their products. He is multi-faceted and is able to entertain many groups, organization, clubs, and people of different age ranges.

DJ Scott was professional, considerate, and had a way of making our event a remarkable experience. He was clear on what kind of information he needed from us. We have received multiple compliments on how he handled people. Everyone was happy with his choice of music. He helped our crowd know what to do, gave them instructions for prizes, where to go for food, where the businesses were located and what to do next. He handled each task with ease and confidence. He is extremely organized and has many great ideas on how to captivate an audience, keep things moving, and the event under control. He was tactful and quick in making any last minute announcements.

DJ Scott is inventive and able to go with the flow when needed. He had a clearly orchestrated plan of action and conscientious of what our needs were. In addition he has a way of showcasing each Sponsor business and promoting what they do to make every business feel significant. We are looking forward to doing more events with DJ Scott in the near future. He is truly a pleasure to work with.

We are so amazed at what DJ Scott did for our event and our members are still talking about it!

Sincerely,
